

Make your friendship strong by slam book

Slambook remain popular in the school all around the world. There is nothing a mean about this slam book. It is a lot of fun. It is very easy to make your own customize [Funny Slam Book](#). Nowadays numbers of websites are available on the internet those provides you the facility to create your own website on internet. These websites allows your friend to come together online and share their experiences, views and much more in just a single step. For this, you just need to create an account and invite your friends.

Normally we use a bound notebook and a pen to create a slam book but this is a modern world and now things are getting high-tech so while creating online slam book we don't need to purchase a book or pen. Online slam book make this process very easy for you. Each row on a page is numbered. At the top of the page, the creators write their name. On each numbered line below, user can write their names. The most interesting part of slam book is slam question that are written at the top of the each subsequent page. User put their answer on the correct numbered rows below. A slam book aims to slamming people with a gentle type of insult. There are many types of question which are involved in your slam book such as "who is the most overrated player of the football team? What is your most prized possession?" and many more. This is a very popular among friends. It helps you to stay connected to your old memories even after many years when friends are actually not in contact. Also it helps to know much more about your friends and what they actually think about you. This is the best way of having fun and leg puling among friends.

In the early 1960 slam book is most popular among students of high school. In that time they used spiral bound notebook they wrote anonymous comments about one another and pass from one to another. The reason behind the name of this book is that when the teacher approached, the students slammed the notebook due to the fear of detection.

Designing your own slam book is a great way to find out what your friends really likes. You just need to invite your friends and know what they think about you. It is the great source to retain your friends and their memories for years.
